Child Count Reminders

- April Child Count opens April 1
- Initial submissions are due by April 15 to allow time to correct errors
- Count must be certified by April 22
- Test count is currently available and will be removed March 31

Child Count Reminders

- If a student has a setting for 3-5 year olds and has reached the 6th birthday by April 1, you will receive an error, “The student’s age is invalid for the Primary Educational Setting”
- Correct the invalid age error by choosing the appropriate school-age setting in the On-line Data Correction Screen
- It is not necessary to update the setting in the IEP until the next annual review

March Training Webinars

- April Child Count: March 23, 10-11 am
- EC Grants: March 30, 1-3 pm

PowerSchool and CECAS Data Flow

- Data is flowing normally between systems
- No syncs are scheduled at this time
- PowerSchool move to Rackspace and Release 9.2 scheduled March 11
 - PowerSchool will be down for maintenance
 - CECAS will remain functional but records will not flow between PowerSchool and CECAS during this time
 - Best practice is to ensure PowerSchool records are up to date prior to 9.2 release
