Child Count Reminders

- April Child Count is now open
- Initial submissions are due by April 15 to allow time to correct errors
- Count must be certified by April 22

Child Count Reminders

- If a student has a setting for 3-5 year olds and has reached the 6th birthday by April 1, you will receive an error, “The student’s age is invalid for the Primary Educational Setting”
- Correct the invalid age error by choosing the appropriate school-age setting in the On-line Data Correction Screen
- It is not necessary to update the setting in the IEP until the next annual review
