Agenda

- Introduction
- Count Reminders
- Training Opportunities
- Email Notification
- Next Monthly Meeting's Agenda
- Questions

December Child Count

- December Child Count opens December 1 and closes December 15
- Count includes students with an IEP in effect and being served on December 1, 2016

December Child Count

- A Test Count is now open for you to review and allow time for data corrections within CECAS records
- All Test Counts will be deleted by November 30
- Please complete a December Child Count initial submission between December 1 and December 8
- Initial submission is the first step in the online process and reveals additional errors that must be corrected before certification

December Child Count

- If a student has a setting for 3-5 year olds but has reached the 6th birthday by December 1, you will receive an error, “The student’s age is invalid for the Primary Educational Setting”
- Correct the invalid age error by choosing the appropriate school-age setting in the On-line Data Correction Screen
