CECAS - PowerSchool Integration

- CECAS – authoritative source for exceptional children data
- PowerSchool – authoritative source for student demographic data
- Students must be in PowerSchool in order to create a record in CECAS

How to Add a Record to CECAS

- First perform Statewide Search in CECAS to confirm student record is not already in CECAS
- After confirming that the student does not have a record in CECAS, search PowerSchool for student
 - If student is not in PowerSchool, create record in PowerSchool
 - If student is in PowerSchool, go to EC Data Screen

Send the PowerSchool Info to CECAS

- On the PowerSchool EC Data Screen, click Yes to Send Demographics to EC
- Search CECAS again to find new record
- New record is usually created in CECAS within a short time, but may take up to 24 hours during periods of high activity
