Important Dates Reminder

- Indicator 11 Count in CECAS opened October 1 and must be certified by October 22
- Indicator 12 Spreadsheet – due October 22
<http://www.nccecas.org/downloads/downloads.html>
- Begin test counts for December 2015

PowerSchool EC Data

- Reporting User files are being loaded manually on a periodic basis into PowerSchool
 - 3rd party vendors submit files to DPI PowerSchool personnel upon request
 - Files are manually loaded into PowerSchool by DPI PowerSchool personnel
 - Files provided to PowerSchool are not processed by CECAS
 - Files provided to PowerSchool are not the same files as the weekly files provided by 3rd party vendors to CECAS

PowerSchool to CECAS Data Flow

- ‘Yes’ must be selected on the EC Data screen in PowerSchool for student’s data to flow between CECAS and PowerSchool
 - Reporting User vendor may set ‘Yes’ automatically
